Subject: Microsoft Settlement

To whom it may concern:

In my judgement, it is in the best interest of our country, the economy and all human beings that the Microsoft settlement come to a conclusion. It is absurd that a reasonable settlement reached between Microsoft and the DOJ continues to be interrupted by States and lawsuits that seek an advantage for constituents who are largely competitors of Microsoft. Now, AOL Time Warner has chosen to bring a lawsuit clearly designed to impede and slow down the settlement process. When will it end?
